Educational Excursion and Tour Committee

Annual Report 2017-18

The Educational Excursion and Tour Committee of Gramgeeta Mahavidyalaya, Chimur has organised two meetings for the session 2017-18 on 25.09.2017 and 05.03.2018 under the chairman ship of Principal Dr. Amir Dhamani at the Principals Office. The said meeting has been called for the setting up of the new committee for the session 2017-18 and to organise educational tour for the session. Under the Chairman ship of the Principal the following Coordinator and Committee Members has been present for the session.

- 1. Principal Dr. Amir Dhamani (Chairman)**
- 2. Prof. Humeshwar Anande (Coordinator)**
- 3. Prof. Manisha Rasekar (Member)**
- 4. Shree Yogesh Sontakke (Member)**

In the first meeting the above mentioned members were selected for this session. In the meeting different topics has been discussed for organizing the educational tour for the college students. The educational tours are very essential for the student's future and students get the valuable information.

On discussion it was decided to organise one-day short tour to National Environmental Engineering Research Institute (NEERI) Nagpur and Regional Forensic Science laboratory (RFSL), Nagpur. The visit to this institution are helps to develop the learning and research ability in students. Keeping this point in mind it was decided to visit this institution. This visit helps to aware the students towards various Research and Developmental activities.

The tour was organised on the 01.02.2018 by Gramgeeta Mahavidyalaya, Chimur for the undergraduate students of B.Sc. The visit was very beneficial and interesting for the students as they got an opportunity to interact with scientist during their visit.

Report of Industrial Visit to CSIR NEERI

The tour was organised Gramgeeta Mahavidyalaya, Chimur for the under graduate students of B.Sc. II and B.Sc. III to the CSIR NEERI, Nagpur and Regional Forensic Science Laboratory, Nagpur on 01.02.2018 to make them aware of R & D activities in chemistry and environmental science. There were total 38 students and 3 faculty members visited the institute.

The visit started with CSIR NEERI Audio Visual at auditorium. Mr. Prakash Kumbhare, briefed the students with the research work carried out in NEERI and then students visited the Permanent Exhibition centre. He emphasized that there is a close co-ordination between science, engineering and Industry and specially the branch of Chemistry and Environmental Science.

The students then visited the Environmental Virology Cell, Analytic Instruments Division, Environmental Biotechnology and Genomics Division and Wastewater Technology Division. In the analytic instrument division students seen the various analytical instruments used in measurement of various parameters.

The visit was very beneficial and interesting for the students as they got an opportunity to interact with NEERI scientist during their visit. The visit was planned by and executed by Mr. Humeshwar Anande Asst. Professor Dept. of Chemistry, Mrs. Varada Khati and Mr. Yogesh Sontakke under the guidance of Dr. Amir Dhammani, Principal, Gramgeeta Mahavidyalaya, Chmiur and cooperation for this endeavour by the B.Sc. students.

Dear Sir/ Madam,

With reference to above, Forensic Science Awareness Week - 2018 organised at Regional Forensic Science Laboratory, Dhantoli, Nagpur from 30 Jan 2018 to 02 Feb 2018.

You are requested to send the students on **01 Feb 2018, 02:30 pm to 04-30 pm.**

Reporting Time: **02:15 pm** at Seminar Hall, RFSL, Nagpur

Instruction to be followed:

- 1) Switch-off Mobile phones in the lab premises.
- 2) Not more than 50 students are allowed.
- 3) Photography is strictly prohibited.
- 4) Follow timing strictly as per schedule
- 5) Uniform and I-card compulsory for students
- 6) Students should be associated with two faculties/ teachers.
- 7) Please bring the list of participants.

Kindly confirm your presence by replying this mail.

Thanks with regards,

Educational Excursion and Tour Committee

Annual Report 2018-19

The Educational Excursion and Tour Committee of Gramgeeta Mahavidyalaya, Chimur has organised two meetings for the session 2018-19 on 10.09.2018 and 10.01.2019 under the chairman ship of Principal Dr. Amir Dhamani at the Principals Office. The said meeting has been called for the setting up of the new committee for the session 2018-19 and to discuss on organising educational tour for the session. Under the Chairman ship of the Principal the following Coordinator and Committee Members has been present for the session.

- 1. Principal Dr. Amir Dhamani (Chairman)**
- 2. Prof. Humeshwar Anande (Coordinator)**
- 3. Prof. Manisha Rasekar (Member)**
- 4. Prof. Yogesh Sontakke (Member)**

In the first meeting the above mentioned members were selected for this session. In the meeting different topics has been discussed on organizing the educational tour for the students. The educational tours are very essential for the student's future and students get the valuable information.

On discussion it was decided to organise one tour to Indian Institute of Chemical Technology (IICT), Hyderabad. The visit to this institution are helps to develop the learning and research ability in students. Keeping this point in mind it was decided to visit this institution. This visit helps to aware the students towards various Research and Developmental activities.

The tour was organised from dated 24.02.2019 to 27.02.2019 by Gramgeeta Mahavidyalaya, Chimur for the undergraduate students of B.Sc. The visit boosted up the knowledge as well as awareness in instrumentation and was very beneficial and interesting for the students as they got an opportunity to interact with scientist during their visit.

The total 25 nos. of students were attended the tour along with 5 teaching staff.

Report of Educational Tour to Hyderabad

The tour was organised by the Gramgeeta Mahavidyalaya, Chimur for under graduate students of B.Sc. I, B.Sc. II and B.Sc. III to the Hyderabad from dated 24th February to 27th February 2019. During this period of time students visited the renowned institute IICT, Hyderabad, to make them aware of R & D activities in chemistry and environmental science. There were total 25 students and 5 faculty members visited the institute.

The visit started with Nehru Zoological Park on 24th February 2019. Nehru Zoological Park opened to the public on 6th October 1963. The Park is run by Forest Department, Government of Telangana, and is named after the first Prime Minister of India, Jawaharlal Nehru. There were about 100 species of birds, animals and reptiles. Students were enjoyed roamed through the entire park and taking pictures.

The 2nd day of tour was reserved for the visiting the CSIR IICT. IICT is one of the renowned institute. IICT running the various R&D projects related to chemistry and chemical technology field. The institute has various types of analytical instruments which are used for identification, characterization of the chemical compound. The scientists were demonstrated the Nuclear Magnetic Resonance (NMR) Spectroscopy, X-Ray Crystallography, Mass Spectrometry, FTIR, HPLC, CHNSO, Gas Chromatography etc. The visit to IICT was very beneficial, interesting and knowledgeable for the students as they got an opportunity to interact with scientist and demonstration of instruments during their visit.

On the next day of tour it was planned to visit the famous Ramoji Film City. Here students enjoyed in roaming the entire area.

One Day tour to Chandrapur Super Thermal Power Station

One-day tour was organised by the Dept. of Environmental Science on dated 18.03.2019 to Chandrapur Super Thermal Power Station (CSTPS), Chandrapur under the guidance of Prof. Jija P. Shende and Prof. Varada Khati. Total 20 nos. of students were visited the CSTPS. The visiting team reached the plant at 1.00 pm and complete the security formalities.

Then team met with Chemist Ms. Dafade Madam. She gives overall idea about the CSTPS plant regarding capacity, raw material, ETP, STP and Stack. Students note down the information provided by madam. CSTPS is thermal power plant located in Chandrapur District in the Indian state of Maharashtra and it is run by MAHAGENCO. The plant is coal based power plant and coal is supplied from the Durgapur and Padmapur Collieries of Western Coalfields Limited and Mahandi Coalfields Limited.

Later students visited plant Unit No.7 and got the experience of computer based plant control room. After that students sees the Effluent Treatment Plant (ETP), Sewage Treatment Plant (STP) and Electrostatics Precipitator (ESP) attached to stacks. Students also visited the in-house laboratory of CSTPS.

There are total 7 units out of which 4 units of capacity 500 MW (500×4) and 2 units of 210 MW (210×2). The total plant production capacity is 2910 MW. The coal is used as fuel. The plant consists of 4 ETP Units of capacity 1600 m^3 , 500 m^3 , 100 m^3 and 675 m^3 respectively. The ETP has conventional method of treatment i.e., Primary, Secondary and Tertiary treatment units. CSTPS also has STP of 5.7 MLD capacity. There are total 4 stacks with different height with ESP as air pollution control device.

Students came to know about the principle and working of ETP, STP, ESP, stack monitoring technique and ambient air quality monitoring. Students gained the knowledge about the various experimental procedures related to the various parameters of ETP, STP, stack and air.

All the students were satisfied with the knowledge imparted and had a lot of fun.

Sub : Request to grant a permission for one day visit to Chandrapur Super Thermal Power Station.

Respected Sir,

I am writing this letter on behalf of the B.Sc Environmental science students as the Principal at Gramgeeta Mahavidyalaya ,Chimur,seeking your permission to conduct an industrial visit to your company, Chandrapur Super Thermal Power Station.

Gramgeeta Mahavidyalaya is a well reputed educational institution in Chimur, Chandrapur. There would be 22 visitors, including one faculty member. Being Students of Environmental Science, this visit would help in better understanding of various concepts related to environment and pollution control. We intend to take a round of ETP, STP and to see Stack Monitoring.

Kindly grant us permission for the visit and make necessary arrangements for the same. We will be comfortable with any date you recommend on or before 17th March 2019. We look forward to a positive reply from your side.

The list of students with faculty member are as follows,

One Day tour to Central Institute for Cotton Research, Nagpur

Semana Vidya Va Vanvikas Prashikshan Mandals Gramgeeta Mahavidyalaya, Chimur has organized a study tour to Central Institute of Cotton Research (CICR), Nagpur on February 15, 2020 for undergraduate students. Total 29 students of B.Sc. I, II & III participated in this tour. This visit was aimed at providing exposure to students about the research and infrastructural facilities of plant biotechnology at a national laboratory. Students visited Plant Biotechnology, Microbiology laboratory of CICR and Krishi Vigyan Kendra (KVK) where the wild species are conserved in farm land. In the Microbiology laboratory students have been informed by Dr. K. Velmourougane about the Bt Cotton resistance towards cotton bollworm and discussed the improvement of soil and plant growth through *Trichoderma* sp.

Later, students were guided by Dr. Balasubramaniam, Head, Department of Biotechnology, CICR, guided students through a lecture on 'plant tissue culture, genetics and plant breeding' explaining the various applications and outputs of Biotechnology. He also discussed about the ongoing research projects in the laboratory.

Dr. S. S. Patil (KVK) highlights the importance of cotton farming. He also informed about the different varieties of cotton as well as importance of KVK in India. Dr. Mrunal I. Warhade, Miss. Sartaj Sheikh (Department of Botany), Dr. Yuvraj G. Bodhe (Department of Microbiology) and Dr. Nilesh R. Thakkar (Department of Zoology) were the In-charge of this study tour and Lab. Attendant Mr. Kamlesh Dadmal is present on this study tour.

The students gained the knowledgeable information from this visit and acquainted with various aspects of plant tissue culture, plant breeding and plant genetics

विषय :- आपल्या गावाच्या निस्तार क्षेत्रात महाविद्यालयीन विद्यार्थ्यांच्या शैक्षणिक सहलीसाठी परवानगी मिळण्याबाबत.

महोदय,

ग्रामगीता महाविद्यालय हा चिमूर चा एक प्रतिष्ठीत शैक्षणिक संस्था असून येथे विद्यार्थ्यांच्या सर्वांगीण विकासासाठी वेगवेगळे उपक्रम राबविले जाते. त्या अनुषंगाने शैक्षणिक सहल हे एक महत्वाचा घटक आहे. महाविद्यालयातील पर्यावरणशास्त्र आणि वनस्पतीशास्त्र या विभागाच्या अभ्यासक्रमात वन आणि वन नियोजन हे विषय समाविष्ट असून विद्यार्थ्यांना याचा प्रत्यक्ष अनुभव घ्यावयाचा आहे.

आपल्या गावाला नूकताच निस्तार हक्क मिळालेला असून सहलीसाठी अत्यंत उपयुक्त आहे. या सहलीचे प्रभारी प्रा.बिजनकुमार शिल असून, सोबत दोन सहकारी प्राध्यापक व एक सहायक कर्मचारी आहे. या सहली मध्ये ४० विद्यार्थी सहभागी होणार आहेत. या सहली दरम्यान कोणत्याही प्रकारचा गैरप्रकार घडणार नाही याची महाविद्यालय दक्षता घेईल. तरी या सहलीसाठी दि.०६ जानेवारी २०२० या रोजी आपण आम्हाला परवानगी द्यावी ही विनंती .

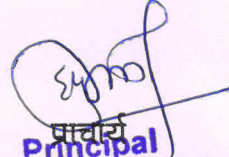

धन्यवाद.....
