

## GRAMGEETA MAHAVIDYALAYA CHIMUR

### REPORT ON NATIONAL MATHEMATICS DAY 2019-20

On 23<sup>rd</sup> December 2019 our institution celebrated National Mathematics Day on behalf of 132<sup>nd</sup> birth anniversary of the greatest Indian mathematician Srinivasa Ramanujan (22 Dec 1887- 26 Apr 1920). This day was announced by Prime Minister Manmohan Singh on 26 February 2012 at Madras University, during the inaugural ceremony of the celebrations to mark the 125th anniversary of the birth of the Indian mathematical genius Srinivasa Ramanujan. On this occasion Singh also announced that 2012 would be celebrated as the National Mathematics Year.

The program was successfully conducted under the chairmanship of Principal of our college honorable Dr. Amir Dhammani Sir. We got the presence of honorable chief guest prof. Humesh Anande Sir, prof. Bijankumar Shil sir, Prof. Samir Bhelave sir and Pathan sir. The program was arranged and supported by the head of department of mathematics prof. Nagesh Dhore sir. The importance of the program was delivered by the respected guests. The main purpose of the program was to enable the students to get the importance of mathematics and overcome the fear of mathematics from students mind. So our college had conducted institution level competitions namely, quiz competition and poster competition.

## Quiz Competition:-

Quiz Competition was structured in three rounds. Due to overwhelming response of students, for this competition we had filtered students through aptitude test. Out of 25 students, 8 students were selected for second round and four teams were generated. Out of four teams' two teams (four students) entered into third round and then out of four student only two students were selected as a winner and runner. Winner of the competition was Rakhi Kubde (B.Sc.1). and runner of the competition was Avinash Chaudhari (B.Sc.2). The competition was judged by Prof. Mrunal Warhade sir and Prof. Pranali Tembhurne madam.

## Seminar Competition:-

Student seminar completion also organized by department of mathematics. Overall 26 students had actively participated in the competition. The competition was evaluated by Dr. N. R. Thawkar and Dr. Y. G. Bodhe. Different teaching aids are available for the competition, but we have seen that students are interested to choose black board teaching and power point presentation (ICT teaching). Ku. Sayali Thombare student of B. Sc. I won first prize for the competition while ku. Sandhya Wandhare student of B. Sc. II won second prize for the competition. Consolation prize is given to the Mr. Saurabh Alam student of B. Sc. II. Huge participation of students in this competition makes program successful.

## Poster Competition:-

Judges for this competition were Prof. Vivek Manik sir, Prof. Pradnya Khobragade mam, and Prof. sheikh mam. Total 25 posters were received from students. The evaluation is based on description, source, and outcome. Total 30 marks were allotted for evaluation process. Each student delivered his best for elaborating his poster. Students took kin interest to give answers to the questions that were asked by judges. Winner of this competition was Pravin Podeshetti (B.Sc.2) and runner up was Harshal Kale(12<sup>th</sup>)

Program was concluded with a valedictory function. Winners were falcited by gifts and bouquets. Finally Prof. Nagesh Dhore head of department of mathematics validate function by giving conclusive speech.

## Conclusion:-

- 1) Students took interest to get knowledge of mathematics through National Mathematics Day.
- 2) Students acquired the knowledge of quiz competition and poster competition taken in mathematics.
