## Parent Teachers Association

### Parent's Feedback Analysis Report

Session: 2020-21

The institute established with a mission to provide world class higher education to the youth of the region. To achieve the goals of the institute, parents play an important role. Through their feedback about the institution's existing infrastructure, teaching learning process and other facilities, they help the institution for overall development and quality enhancement. Parents feedback allows the institution to evaluate its existing services and thus cater to providing better service towards the students.

The institute always puts an effort to increase the involvement of parents in the quality assurance of excellent education, and the feedback analysis process provides a platform for the same. Parents involvement necessitates that they play a functioning job in taking an interest for the comprehensive improvement of their wards.

#### Objectives of the parent's feedback:

1. To involve parents in various activities and initiatives for the overall development of students and for the quality improvement of the institution.
2. To include parent's suggestion to prepare institutes short term strategic plans.
3. To evaluate and improve the ongoing teaching learning process of the institution.

To collect feedback from parents for the current session, the meeting of Parent-Teacher Association was organised on 26<sup>th</sup> February, 2021, in the seminar hall of the Gramgeeta Mahavidyalaya, Chimur. Considering the Covid-19 pandemic situation, parents were invited through WhatsApp message and phone calls. Responsibility to invite parents for the meeting was assigned to teachers. To avoid big gathering and to follow Covid guidelines, each teacher was restricted to invite maximum three parents of their allotted mentees (at the beginning of the session, institute has allotted 35 to 38 mentees to each teacher).

Total 25 parents actively participated in the meeting. Discussion was carried out on topics related to student's development and institutions quality enhancement. During the meeting, the feedback forms were distributed among the parents and the filled feedback forms were collected at the end of the meeting. Covid-19 guidelines were strictly followed during the event.

All the activities involved in parent's feedback analysis process like distribution of forms, collection of filled forms and their proper analysis were done by the 'Parent Teacher Association'.

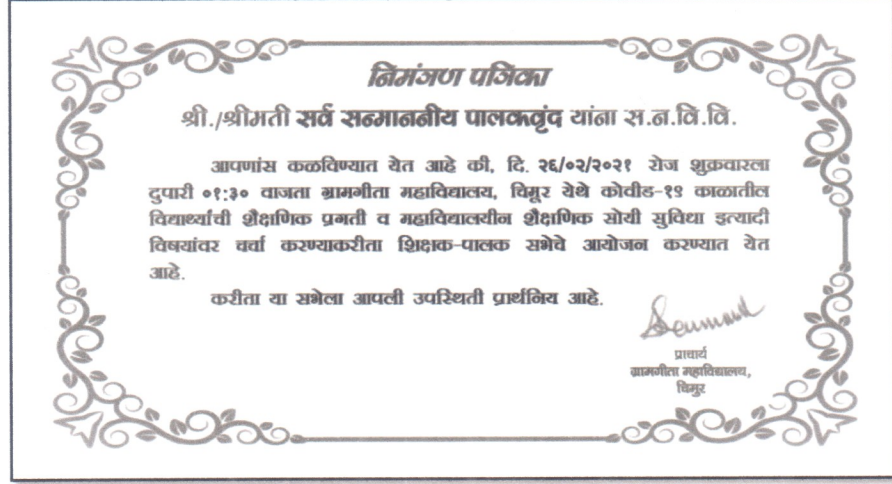

#### Design of the Feedback form for the session 2020-21:

For the current session, along with the issues like admission process, learning environment, academic progress, infrastructure and library facilities, learning experiences, curriculum design with respect to employability and faculty/employees' cooperation etc., the feedback form also focuses on quality and status of ongoing Online classes during current Corona Pandemic situation. Total 16 Questions/Statements were asked to be responded by the parents to evaluate the above-mentioned areas. The Questions/Statements were provided to rate by the parents on a five-point scale from strongly agree to strongly disagree.
